# Webpage Introduction

- Musical store webpage with related services.
- Three main pages with eye-catching and interactive interface.
- Utilizes CSS, HTML, and JS code to design and create.

The webpage features a header with navigation links: HOME, PRODUCTS, ABOUT US, and CONTACT US. Below the header, there's a banner for a new store grand opening with a 30% discount on electric guitars and amplifiers from April 16th to May 2nd at 68 Orchard Rd, Singapore 238839. The main content area includes sections for recommended products, featured characters (Hitori Gotoh, Yui Hirasawa, Kumiko Oumae), and a Yamaha Pacifica series electric guitar. The page is decorated with musical instruments, characters from 'Bocchi The Rock!', and a large graphic of a guitar neck.

Instrument your beloved characters is playing. The below slideshow will present our top 3 online musical instruments this year.

E PRODUCTS ABOUT US CONTACT US

HITORI GOTOH

YUI HIRASAWA

KUMIKO OUMAE

#1 ELECTRIC GUITAR

YAMAHA PACIFICA series

The most favorite one is an Electric Guitar used by Hitori "Bocchi" Gotoh (Kessoku Band) from TV series anime "Bocchi The Rock!" (Onair 2022). This is a high quality model for a wide range of genres, generously infused with ideas and technologies developed over 50 years of Yamaha guitar history. Bocchi uses a PAC600series PACIFICA611VFM model that has been custom-made and customized. Her previous guitar is a Gibson Les Paul borrowing from her father. However, its first string was broken during the performance in her school's festival. After the incident, she decided to buy a new guitar to avoid causing any trouble like that to her father's guitar.

# About page

Mainly include description sections  
& sponsors.

The screenshot shows a desktop version of the Hibike website. At the top, there's a navigation bar with icons for Home, Products, About Us, and Contact Us. Below the navigation is a large banner featuring four anime-style characters playing brass instruments (trombones and tubas). To the right of the banner, the Hibike logo is displayed with the tagline "THE WAY YOU SOUND" and "OFFICIAL STORE". A "ABOUT US" button is located at the bottom left of the main content area. The main content area contains a detailed paragraph about the company's history, services, and customer base.

**ABOUT US**

Welcome to Hibike, the ultimate musical instrument stores with a twist of Japanese anime culture! With our unique theme, we offer a one-of-a-kind shopping experience that is both fun and exciting. Established in 2015, over 8 year of services, Hibike has up to 10 stores located in 7 countries and regions in the South-East Asia region and Hong Kong/Taiwan, bringing our passion for music and anime to customers all over. We are honored to be considered as the most favorite instrument reseller among customers in the South-East Asia region, thanks to our exceptional customer service and extensive collection of musical instruments. Whether you are a beginner or an experienced musician, we have a wide selection of instruments to choose from, especially if you are looking for what instrument your beloved anime characters play. We pride ourselves on providing high-quality products and ensuring that every customer finds what they are looking for. At Hibike, we not only sell instruments but also offer repair services, music lessons, and performance

**Windows website page**

The screenshot shows a mobile version of the Hibike website. The top navigation bar includes "HOME", "PRODUCTS", "ABOUT US", and "CONTACT US". On the right side of the screen, there are decorative yellow musical notes. The main content area features the Hibike logo and a banner with four anime characters. Below the banner, there's a "ABOUT US" section with the same descriptive text as the desktop version.

# Reflection after project

- Developed skills in project management.
- Learned about the importance of user experience, accessibility, and mobile responsiveness.
- Learned new coding tips.
- Utilize project management skills to ensure the success of future projects, delivering high-quality work on time and within budget.

# Q&A

# Thank You
